

HANDY HARVEST MAINTENANCE CHECKLIST

TYPE OF FARM EQUIPMENT	MAINTENANCE CHECKS	Qualube LUBRICANTS & GREASES	EXAMPLE PRODUCTS	✓
COMBINE & FORAGE HARVESTERS	COMBINE HEADER: Grease moving parts, check drive shafts, chains and belts		Qualube Lithium Complex Grease	
	COMBINE ENGINE: Replace engine oil and filters		Qualube Masterfleet 10w-40	
	TRANSMISSION & HYDRAULIC SYSTEMS: Inspect fluid levels and top up with recommended grade		Qualube Hydrapower HV46	
	PULLEYS, SPROCKETS & BEARINGS: Ensure proper lubrication for all pulley bearings and belt tensioners		Multi-Purpose EP2 Calcium Grease	
	COOLING SYSTEM: Check coolant levels and top up		Qualguard ORATEC Concentrated Coolant	
	CHAINS: Check chains and apply appropriate chain lube		Qualube Chain Oil or Qualube Clear Chain Spray	
TRACTORS	ENGINES: Replace engine oil and filters		Qualube Masterfleet HD 10W-40	
	TRANSMISSION & HYDRAULIC SYSTEMS: Check fluid levels, replacing filters if needed		Qualube Agri-Supreme 10W-40 or Qualube WBTO	
	COOLING SYSTEM: Check coolant levels and top up with correct coolant /antifreeze		Qualguard ORATEC Concentrated Coolant	
	BEARINGS, PIVOT POINTS, & CV JOINTS: Inspect and grease		Qualube Lithium Complex	
GRAIN TRAILERS	GREASE POINTS: Axles, wheel bearings and hydraulic rear doors		Multi-Purpose EP2 Calcium Grease	
BALERS	GEARS: Drain gear oil and replace with recommended grade for machine		Qualube HP EP Gear Oil SAE 85W-140	
	HYDRAULIC SYSTEMS: Top up hydraulic oil		Qualube Hydrapower HV46	
	BELTS, PULLEYS, SPROCKETS & BEARINGS		Multi-Purpose EP2 Calcium Grease	
	CHAINS: Keep drive chains operating smoothly with proper tension and lubrication that includes an anti-fling additive		Qualube Chain Oil	
	COMPRESSORS: Top up any compressors with the recommended oil		Qualube Compressor 46 Oil	
	PTO SHAFT: Inspect & grease		Qualube Lithium Complex	
MOWERS	BELTS, PULLEYS & CHAINS		Qualube Clear Chain Spray / Prolan Medium	
	BEARINGS		Multi-Purpose EP2 Calcium Grease	
CORN DRYER	BELTS, PULLEYS & CHAINS		Qualube Clear Chain Spray / Prolan Medium	
	BEARINGS		Qualube Lithium Complex	
MACHINERY CLEANING	ALL PARTS: Clean the dust and muck off machinery		Witham General Purpose Traffic Film Remover Cleaner	

Just tick to tell us which products you need and email this form to machinery@af.farm

Oils are available in 1, 5, 25 & 200 litre sizes and bulk. Greases are available in 400g, 12.5kg & 50 kg. This checklist provides examples only of products that maybe suitable and are not full recommendations. To find the right lubricant for the right application, please contact Witham Group for advice.
