17/06 – **Bodney (Breckland)** – Dead Goshawk found dead in suspicious circumstances (awaiting xrays to establish if genuine road kill or not)

Heritage investigations/incidents – any offences involving damage or loss to the historic environment

Any other business

Wild grown Cannabis – ****Another report this week – please keep an eye out we will come and collect and destroy (alongside looking for any evidence of those involved)**** We have seen one report already of some cannabis plants found being grown in wild area. This is something that happens every Summer. Should you see anything like this please let us know. They tend to clear the land around the 'grow'
